

# Mona Lisa

Monte Booker

Come on, let's go  
I'm on a roll  
I only need a dollar in my pocket Attract the gold  
Just let it mold into your hands  
And watch the love turn it into a locket Stay on the move  
Until the moon  
Goes round and round and round  
In circles, clockin'  
Don't let the blues  
Catch up to you  
Because I'm on a first-name basis with danger  
It's stranger when I'm there  
I'll let the narrator tell you how it goes I'm on a first-name basis with danger  
It's stranger when I'm there  
I'll let the narrator tell you how it goes Just like his name was James Earl Jones  
I knew you a long time ago Got your passport  
Got your visa  
Where's your smile like  
Mona Lisa  
Smile like Mona Lisa  
Smile like Mona Lisa  
Smile like Mona Lisa  
Smile like Mona Lisa  
Smile like Mona Lisa  
Smile like Mona Lisa
