

Do You Like What You See

Do You Like What You See
I got a feelin
You and me are gonna be
Just fine, and I
Really think it's gonna work out
This time cause I've been aware for quite some time
You've been watchin' me and I
Really like the way you move and so
I was wondering if I
Should maybe take a chance
Lay it on the line and ask
Do you like what you see?
Can you make me believe
I'm the one that you need?
Do you like what you see?
Do you like what you see?
Can you handle some more
From the one you adore
Do you like what you see?
I don't wanna seem like
I'm the kind of girl who's playin' games
With your mind
It's just
That I'm that kind of girl who's actually
Quite shy, but BRIDGE
