

Slick Black Cadillac

Quiet Riot

Ooooo, Just a big black set of wheels
Is what it takes to get me off
I'm gonna drive all night
Spin my wheels all night
It feels all right
It feels all right I don't need no drivers license
I'm too reckless to survive
It's like a carburetor instigator
Feels all right
Feels all right Drivin' in a Slick Black Cadillac
It's got solid gold hubcaps
It makes me feel like a king
I only need one thing
And that's a Slick Black Cadillac (get up)
You know I got a fully equipped rock 'n' roll machine
At speeds that take me high, high, high
At dead man's curve
I only hear one word drive, drive, drive
Drive, drive, drive My machine is making headlines
It gives me love and everything
It's like an institution of revolution
It feels all right
Feels all right Drivin' in a Slick Black Cadillac
It's got solid gold hubcaps
It makes me feel like a king
I only need one thing
And that's a Slick Black Cadillac (pull over, woooo)
I got the coppers on my tail
Just for me an A.P.B.
The sirens spinnin'
Though it's me who's winnin'
There're after me
There're after me Before they know just what happened
I disappeared to their surprise
I got a Cadillac monkey on my back
And I don't mind
No, I don't mind Drivin' in a Slick Black Cadillac
It's got solid gold hubcaps
It makes me feel like a king
I only need one thing
And that's a Slick Black Cadillac (hold on) Slick Black Cadillac
It's got solid gold hubcaps Slick Black Cadillac I lay it down, spin wide and get laid in back, oh

yeahDrivin' in a Slick Black Cadillac
It makes me feel like a king, alright!
