

# Mind Over Matter

## Young the Giant

Mind over matter  
Does it matter to any of us?  
Don't change the subject  
I'm heavy on your love  
I missed that train  
New York City: it rains!  
Fly to East L.A. in big jet planes  
You know you're on my mind  
And if the world don't break  
I'll be shaking it  
Cuz I'm a young man after all!  
And when the seasons change  
Will you stand by me?  
Cuz I'm a young man built to fall!  
Mind over matter  
I'm in tatters thinking about her  
Taste my disaster  
It's heavy on my tongue  
All the lights aglow  
Tokyo: snows  
Go to watch the show  
Curtain's closed  
I'm watching you this time  
And if the world don't break  
I'll be shaking it  
Cuz I'm a young man after all!  
And when the seasons change  
Will you stand by me?  
Cuz I'm a young man built to fall!  
I missed that train  
New York City: it rains!  
Fly to East L.A. in big jet planes  
You know you're on my mind  
All the lights aglow  
Tokyo: snows  
Go to watch the show; curtain's closed  
I'm watching you this time  
Mind over matter  
Mind over matter  
You know you're on my mind!  
And if the world don't break  
I'll be shaking it

Cuz I'm a young man after all! And when the seasons change  
I missed that train  
Will you stand by me?  
Fly to East L.A.  
Cuz I'm a young man built to fall!  
And if the world don't break!  
All the lights aglow  
Tokyo: snows  
Go to watch the show; curtain's closed  
And when the seasons change  
Will you stand by me?  
Cuz I'm a young man built to fall!
