## Iggy Azalea

[Intro]

Rose from, rose from..[Bridge]

Rose from the cracks with the rats and the roaches (roaches)

Bust a duffel bag open (open)

Hush money in sofa (shhh)

Bitch, you know what I'm totin'[Pre-Chorus]

Came, came in a Benz, not a Focus (Focus)

My dope, the dopest

Fall asleep with the stove lit

Ho-hocus Pocus

Pinocchio nose drip, Tokyo snow trip

Wake up in Mexico, buenas noches (noches)

Ya bae got no chest (no chest)

Hit the gym, make that ass stretch
