

# Don't You Get so Mad

Jeffrey Osborne

We were havin' such a good time, baby  
Oh, yes, we were  
Then you went and spoiled the whole thing, baby  
In front of everyone You're tellin' me I was wrong  
And that all night long I was staring at someone else  
Well, even if you were right  
There's no need to fight, there's no need to get upset Don't you get so mad about it (Do you have  
to get so mad)  
Don't you get so mad about it (About it, about it)  
Don't you get so mad about it (Ooh, ooh, ooh)  
Don't you get so mad about it, hey (Mad about it) You should learn to control your feelings  
Respectably  
'Cause arguin' in public  
Is embarrassin'  
It's always the same thing, baby  
Accusin' me out of jealousy  
I never will understand  
Why you make so much out such a little thing Don't you get so mad about it (Do you have to get  
so mad)  
Don't you get so mad about it (About it, about it)  
Don't you get so mad about it (Ooh, ooh, ooh)  
Don't you get so mad about it, yeah It's all so crazy now  
Somehow it's got to change  
Take a look at yourself  
Carrying on this way I know you care about  
The love we're buildin' here  
So why get all upset  
It's just not worth it  
Listen to me, my dear  
Don't you get so mad about it (Do you have to get so mad)  
Don't you get so mad about it (About it, about it)  
Don't you get so mad about it (Ooh, ooh, ooh)  
Don't you get so mad about it, whoa (Mad about it), whoa, whoa, whoa Don't you get so mad,  
baby  
(About it, about it) Whoa, whoa, ho, baby  
(Ooh, ooh, ooh) Don't you get so mad about it  
(Mad about it) Whoa Don't get so mad now, baby  
(About it, about it) Ho, don't you get so mad about it, babe, don't you get so mad  
(Ooh, ooh, ooh) Don't you get so mad about it, babe, no  
(Mad about it) Wooooo Don't get so mad about it  
(About it, about it) There's no need to get upset
