Lily Allen

Riding through the city on my bike all day
Cause the filth took away my license
It doesn't get me down and I feel okay
Cause the sights that I'm seeing are priceless Everything seems to look as it should
But I wonder what goes on behind doors
A fella looking dapper and he's sittin' with a slapper
Then I see it's a pimp and his crack whore You might laugh, you might frown
Walkin' round London town Sun is in the sky
Oh why, oh why would I wanna be anywhere else?
Sun is in the sky
Oh why, oh why would I wanna be anywhere else?
When you look with your eyes
Everything seems nice
But if you look twice
You can see it's all lies There was a little old lady, who was walkin' down the road
She was struggling with bags from Tesco
There were people from the city havin' lunch in the park
I believe that is called al fresco When a kid came along to offer a hand
But before she had time to accept it
Hits her over the head, doesn't care if she's dead
Cause he's got all her jewelry and wallet You might laugh, you might frown
Walkin' round London town Sun is in the sky
Oh why, oh why would I wanna be anywhere else?
Sun is in the sky
Oh why, oh why would I wanna be anywhere else?
When you look with your eyes
Everything seems nice
But if you look twice
You can see it's all lies Life
Yeah, that's city life
Yeah, that's city life
Yeah, that's city life Life
Yeah, that's city life
Yeah, that's city life
Yeah, that's city life Sun is in the sky
Oh why, oh why would I wanna be anywhere else?
Sun is in the sky
Oh why, oh why would I wanna be anywhere else?
Sun is in the sky
Oh why, oh why would I wanna be anywhere else?
Sun is in the sky
Oh why, oh why would I wanna be anywhere else?

When you look with your eyes
Everything seems nice
But if you look twice
You can see it's all lies
When you look with your eyes
Everything seems nice
But if you look twice
You can see it's all lies
