(Whale calls)

(Dre Dog talking)

Hehehehe...

Oooh...

This shit is on beat...

Hehehehe...

Man...

Drop that shit boy...

Hehehehehe...

Fillmoe...

Hehehehe...

Did somebody say umm... Fillmoe?

Mista Jim Jones could ya... please drop a verse?

(Dre Dog)

Nigga it's the J to the I to the M to the J O N E S

Nigga in the flesh

Chewy boy doobie with the buddha cess

I'm like the Lion King cause everything I see is mines

And Tommy Tuckers man they stop and fuck us like a sign

So read my mind, the situation's critical

And off that chewy man shit can get like (? britical?)

You think you know me? Well test your luck and try me out

And watch me treat you like a cow in a slaughterhouse

That cutty chrome, that microphone

That new Jim Jones, that indo zone

That watch that valium on your dome

I'm putting beary fairy niggas in a state of shock (shock!)

And I'm a killa whale but nigga check my pimp block

So bust that, crush that, crush that

Cuh-crack crack!

That's how that nigga's neck snap

I'm harmon like that (? 'move a ree?)

Deadly like that Octagon

Fillmoe to the fuckin heart

Crooked like the Pentagon

Recka! Niggas get jumped like checkers

So what's the use if fuckin Salt if I can't fuck with Pepper

So check my rep, survival tech, and hit man killa tactics

Niggas get berry faced down on silver plastic

Mothafucka, niggas get split like a wishbone

Dank or dope, bank or cope, Nigga Mista Jim Jones

The fat rat dominator, microphone terminator

Quick to break the neck of an E-40 imitator  
Nigga don't front, you know I got you open  
With more Raider in me than they ever had in Oakland  
To all you mothafuckas that juss can't tell  
I'm a Pisces but I'd rather be a killa whale

PLOT!

To all you mothafuckas that juss can't tell  
I'm a Pisces but I'd rather be a killa whale  
To all you mothafuckas that juss can't tell  
I'm a Pisces but I'd rather be a killa whale  
To all you mothafuckas that juss can't tell  
I'm a Pisces but I'd rather be a killa whale  
To all you mothafuckas that juss can't tell  
I'm a Pisces but I'd rather be a killa whale  
And I'm a Pisces but I'd rather be a killa whale

(Dre Dog)

Nigga check my Ike Turner way of doin things  
Not out for peace, Dre Dog is out to ruin things  
The most hated mothafuck in the Frisco park  
And Tommy Tuckers that talk foo I watch like a hawk  
So strike a pole, strike a deer when you see me bitch  
And like a hound on a fox fool I'm on your scent

You fuckin skunk

Some sugar red some chocolate tai skunk (what?)

These niggas step up and get hung like a duck

Cause I'm the dirty worm hunter

The catterpillar killer

Attitude juss like a ruthless Cuban coke dealer

In Miami, nothin but the money and the power

A deadly mix at 6 foot 6 I'm sorta like a tower

Or a tanker, a mothafuckin Iraq tanker

Nigga raise up and get (dropped!) dropped (dropped!) like an anchor

The Gaurdian Angels lookin straight to rip right on the spot

Cause all you are are voluntary unpaid rent a cops

And I'm a factor, better yet a motherfuckin force

Now I gotta shoot you like a broke legged horse

In pain, nigga break me off beneficial

Mothafuckas praise Nino Brown and Felix Mitchell

Big bread, too mothafuckin smart for the feds

These niggas try to raise up (what you say?) but I heard (what i said)

what

you said

I'm like woof, I know foo but you don't have a clue

(Fuck you!) Nigga fuck me? NO NIGGA FUCK YOU!

Fuck them mothafuckas I don't duck them mothafuckas

I say fuck them mothafuckas I don't trust them mothafuckas

So without a doubt I'll turn it out I ain't got no time to clown

My first words are to the point-nigga lay it down

So rock me up cause I'm dope and triple beam to scale

311 is my block but nigga I'm a killa whale

CAUGHT!

To all you mothafuckas that juss can't tell  
I'm a Pisces but I'd rather be a killa whale  
To all you mothafuckas that juss can't tell  
I'm a Pisces but I'd rather be a killa whale  
To all you mothafuckas that juss can't tell  
I'm a Pisces but I'd rather be a killa whale  
To all you mothafuckas that juss can't tell  
I'm a Pisces mothafucka
