

# A Heart Can Only Be So Strong

Michael Bolton

A hundred times I have walked out the door  
Just to walk back a hundred times more  
A thousand nights I have sworn not to stay, ooooh oh  
I remained tangled in the chains of desire, ooooh  
I know that it's no good, I shouldn't be here  
I know, I should leave you  
CHORUS:  
Shouldn't let you close to me  
Shouldn't have this hold on me  
No, I shouldn't be so weak  
But a heart can only be so strong  
Every time I try to go  
Just one look in your eyes, I know  
That a heart can only be so strong  
A heart can only be so strong  
A hundred ways you have captured my soul  
I can't hold on but I can't let go  
Your spell on me is a spell I can't break, ooooh oh  
All my strength burning in the flames of desire, ooooh  
I don't wanna stay here, I don't wanna leave you  
Don't know how to leave you  
CHORUS  
Wooh, (so strong), ooh so strong  
I can't let go, oh no  
Wooh, so strong...  
'Cause you're a part of my soul  
And I, I can't escape you  
No matter how hard I try  
I can never be free  
Of your hold on me (so strong)  
I can't let go, oh  
A hundred times I have walked out the door  
Just to walk back a hundred times more  
CHORUS  
Shouldn't let you close to me  
Shouldn't have this hold on me  
But a heart can only be so strong  
Every time I try to go  
Just one look in your eyes I know  
That a heart can only be (so strong) so strong  
A heart can only be so strong, ooooh  
A heart can only be so strong...
