

# Hunter

Pharrell Williams

Just because it's the middle of night  
That don't mean I won't hunt you down  
Cause up, in, deep inside  
It's pullin' me and I want your love  
You and I should be gettin' it right  
Ain't no sense in you holdin' on down  
If I can't have you, nobody can  
This an animal singin' that'll hunt you down So baby, ooh-oo  
My love is kung fu-uuh  
And baby, ooh-oo  
My love is kung fu-uuh  
Hey baby, ooh-oo  
Sex is kung fu-uuh  
Hey baby, ooh-oo  
My love is kung fu-uuh  
I show my teeth  
And I hope you know that look in my eyes  
I got lightnin' speed I won't hesitate to rescue what is mine Well, hold up baby, what's goin' on?  
Tell the truth, I wanna know  
What you're doin' when you're gone  
Somethin' say you ain't alone  
You say, "Baby keep holdin' on"  
What you mean? I've been holdin' on I ain't ever smelled this before  
Somethin' say it's time to go  
Just because it's the middle of night  
That don't mean I won't hunt you down  
Cause up, in, deep inside  
It's pullin' me and I want your love  
You and I should be gettin' it right  
Ain't no sense in you holdin' on down  
If I can't have you, nobody can  
This an animal singin' that'll hunt you down  
So baby, ooh-oo  
My love is kung fu-uuh  
And baby, ooh-oo  
My love is kung fu-uuh  
Hey baby, ooh-oo  
Sex is kung fu-uuh Hey baby, ooh-oo  
My love is kung fu-uuh  
Taxidermy is on my walls  
With the full description of the killin' calls  
I'm a hunter

Cupid, thank you for what you did  
But you can't aim and get what I get  
I'm a hunter  
Well, hold up baby, what's goin' on?  
Tell the truth, I wanna know  
What you're doin' when you're gone  
Somethin' say you ain't alone  
You say, "Baby keep holdin' on"  
What you mean? I've been holdin' on  
I ain't ever smelled this before  
Somethin' say it's time to go  
Just because it's the middle of night  
That don't mean I won't hunt you down  
Cause up, in, deep inside  
It's pullin' me and I want your love  
You and I should be gettin' it right  
Ain't no sense in you holdin' on down  
If I can't have you, nobody can  
This an animal singin' that'll hunt you down  
So baby, ooh-oo  
My love is kung fu-uuh  
And baby, ooh-oo  
My love is kung fu-uuh  
Hey baby, ooh-oo  
Sex is kung fu-uuh  
Hey baby, ooh-oo  
My love is kung fu-uuh  
Duck Dynasty's cool and all  
But they got nothin' on a female star  
I'm a hunter  
Is that a tree or is that camouflage?  
Come get eaten by the dam mirage  
I'm a hunter  
Well, hold up baby, what's goin' on?  
Tell the truth, I wanna know  
What you're doin' when you're gone  
Somethin' say you ain't alone  
You say, "Baby keep holdin' on"  
What you mean? I've been holdin' on  
I ain't ever smelled this before  
Somethin' say it's time to go  
You're leaving me?  
What? I'm supposed to let it go?  
You can't be serious!?  
You know what's in my blood!  
So baby, ooh-oo  
My love is kung fu-uuh  
And baby, ooh-oo  
My love is kung fu-uuh  
Hey baby, ooh-oo  
Sex is kung fu-uuh  
Hey baby, ooh-oo  
My love is kung fu-uuh
