

Hunter

Pharrell Williams

Just because it's the middle of night
That don't mean I won't hunt you down
Cause up, in, deep inside
It's pullin' me and I want your love
You and I should be gettin' it right
Ain't no sense in you holdin' on down
If I can't have you, nobody can
This an animal singin' that'll hunt you down So baby, ooh-oo
My love is kung fu-uuh
And baby, ooh-oo
My love is kung fu-uuh
Hey baby, ooh-oo
Sex is kung fu-uuh
Hey baby, ooh-oo
My love is kung fu-uuh
I show my teeth
And I hope you know that look in my eyes
I got lightnin' speed I won't hesitate to rescue what is mine Well, hold up baby, what's goin' on?
Tell the truth, I wanna know
What you're doin' when you're gone
Somethin' say you ain't alone
You say, "Baby keep holdin' on"
What you mean? I've been holdin' on I ain't ever smelled this before
Somethin' say it's time to go
Just because it's the middle of night
That don't mean I won't hunt you down
Cause up, in, deep inside
It's pullin' me and I want your love
You and I should be gettin' it right
Ain't no sense in you holdin' on down
If I can't have you, nobody can
This an animal singin' that'll hunt you down
So baby, ooh-oo
My love is kung fu-uuh
And baby, ooh-oo
My love is kung fu-uuh
Hey baby, ooh-oo
Sex is kung fu-uuh Hey baby, ooh-oo
My love is kung fu-uuh
Taxidermy is on my walls
With the full description of the killin' calls
I'm a hunter

Cupid, thank you for what you did
But you can't aim and get what I get
I'm a hunter
Well, hold up baby, what's goin' on?
Tell the truth, I wanna know
What you're doin' when you're gone
Somethin' say you ain't alone
You say, "Baby keep holdin' on"
What you mean? I've been holdin' on
I ain't ever smelled this before
Somethin' say it's time to go
Just because it's the middle of night
That don't mean I won't hunt you down
Cause up, in, deep inside
It's pullin' me and I want your love
You and I should be gettin' it right
Ain't no sense in you holdin' on down
If I can't have you, nobody can
This an animal singin' that'll hunt you down
So baby, ooh-oo
My love is kung fu-uuh
And baby, ooh-oo
My love is kung fu-uuh
Hey baby, ooh-oo
Sex is kung fu-uuh
Hey baby, ooh-oo
My love is kung fu-uuh
Duck Dynasty's cool and all
But they got nothin' on a female star
I'm a hunter
Is that a tree or is that camouflage?
Come get eaten by the dam mirage
I'm a hunter
Well, hold up baby, what's goin' on?
Tell the truth, I wanna know
What you're doin' when you're gone
Somethin' say you ain't alone
You say, "Baby keep holdin' on"
What you mean? I've been holdin' on
I ain't ever smelled this before
Somethin' say it's time to go
You're leaving me?
What? I'm supposed to let it go?
You can't be serious!?
You know what's in my blood!
So baby, ooh-oo
My love is kung fu-uuh
And baby, ooh-oo
My love is kung fu-uuh
Hey baby, ooh-oo
Sex is kung fu-uuh
Hey baby, ooh-oo
My love is kung fu-uuh
