

# Here I Am

Leona Lewis

This is a crazy world  
These can be lonely times  
It's hard to know who's on your side  
Most of the time Who can you really trust?  
Who do you really know?  
Is there anybody out there  
Who can make you feel less alone?  
Some times you just can't make it on your own  
If you need a place where you can run  
If you need a shoulder to cry on  
I'll always be your friend  
When you need some shelter from the rain  
When you need a healer for your pain  
I will be there time and time again  
When you need someone to love you  
Here I am  
If you have broken dreams  
Just lay them all on me  
I'll be the one who understands  
So take my hand  
If there is emptiness  
You know I'll do my best  
To fill you up with all the love  
That I can show someone  
I promise you you'll never walk alone  
Well, if you need a place where you can run  
If you need a shoulder to cry on  
Well, I'll always be your friend  
When you need a shelter from the rain  
When you need a healer for your pain  
I will be there time and time again  
When you need someone to love you  
Here I am  
Everybody needs somebody who  
They can pour their heart and soul into  
Well, if you need a place where you can run  
If you need a shoulder to cry on  
I'll always be your friend  
When you need a shelter from the rain  
When you need a healer for your pain  
I will be there time and time again  
When you need someone to love you  
Here I am, here I am
