

# Fire in Bone

## The Killers

(Fire in bone)  
Fire in bone  
I felt fire in bone  
Fire in bone  
I felt fire in bone  
Fire in bone I felt cast out  
I felt eighty-sixed  
I felt darkness  
But I felt fire in bone  
I felt no good  
I felt lowdown  
And I felt alone  
I felt unknown  
I felt fire in bone  
I felt fire in bone  
Wrongly accused and disowned  
I felt fire in bone I felt big time  
I felt major league  
I felt weird sin  
I felt fire in bone  
I felt ripped off  
Run down, wrung out  
Empty, unseen  
And preyed upon  
I felt fire in bone  
I felt fire in bone  
When I came back empty-handed  
You were waiting in the road  
And you fell on my neck  
And you took me back home  
After all that I took from you  
After all that I put you through  
Here I am I felt fire in bone  
I felt washed up  
I felt tempest-tossed and seasick  
But I felt fire in bone  
I felt mislead  
I felt chained up, unclean, unknown  
I felt unknown I felt fire in bone  
I felt fire in bone They say no one's gonna save you  
You've gotta make it on your own  
But I called from the dark

And you picked up the phone  
On my back in the raging blue  
I looked up, and you cut right through  
And when I came back empty-handed  
You met me in the road  
And you fell on my neck  
And you took me back home  
After all that I took from you  
After all that I put you through  
Here I am(Here I am)  
(Here I am)  
(Here I am)
