I Got You (At the End of the Century)

[Wilco](#)

I got you and that's all I need
I got you and that's all I need
I got you and that's all I need
I got youI got you and I still believe
That you're all that I ever need
It's youAll
All way back in the seventies
You were my little T.V. queen
You're Tarzan and friend Janine
I got you
I got you and I still believe
That you're all that I'll ever need
It's you
AllIt's the end of the century
I can't think of anything
Except you
It's the end of the century
And I can't think of anything
But youAll
All
I
Need
I got you
I got you, babe
I got you, you
I got you
I got you
I got you
