

Cut Your Teeth

[Kyla La Grange](#)

Didn't I warn you not to?
Didn't I warn you good?
Maybe we couldn't help it
Maybe we never should
Didn't I say it slowly?
Didn't I make it clear?
Is it unfair to ask you?
Why it is you're still here?
You cut your teeth on the lack of answers, singing
Come back home and it don't feel the same
Well I bled words onto a page for you
And you never knew my name
Didn't I make it harder?
Didn't I leave you that?
Was it too much to ask you?
Why it is you still care?
You cut your teeth on the lack of answers, singing
Come back home and it don't feel the same
Well I bled words onto a page for you
And you never knew my name
Come, go, break your bones
They cut you up and never let go
Swing low, play your show
Call your mother say take me home
Lights, smoke, don't say no
You're another man down if you let them know
You cut your teeth on the lack of answers, singing
Come back home and it don't feel the same
Well I bled words onto a page for you
And you never knew my name
