

# And the Hero Will Drown

## Story of the Year

The night will come  
And rip away,  
Her wings of innocence through every word we say  
Maybe it's time,  
To spit out the core of our rotting union  
Hopefully before it chokes  
Us to our senses. Guess it's too bad,  
That everything we have  
Is taken away.  
Swim in the smoke  
The hero will drown  
Intoxicating beauty tears everything down  
But still our hands are  
Bound at the wrist  
This romantic tragedy is suffocating from your fist,  
In a sea of fire. Guess it's too bad,  
That everything we have  
Is taken away.  
Hero, hero, this word you'll never know  
Guess it's too bad  
That everything we have  
Is taken away.  
Away, away, away. They're taking it away
