

# What You Waiting For (feat. Kylie Minogue)

## Sigala

Hey  
Who messed your heart up  
I bet you didn't even know  
That I  
I've been here so long  
And you could have my hand to hold  
I'll be your love  
Turn your broken heart  
Into gold  
So what you waiting for  
You got that touch  
You could start a fire  
In my soul  
So tell me what you waiting for  
Waiting for  
Waiting for  
Waiting for  
Waiting for  
Waiting for  
Waiting for  
So tell me what you're waiting forHey  
I told you and told you  
At times I had to bite my tongue  
But  
Summer ain't over  
We've still got time  
To chase the sun  
I'll be your love  
Turn your broken heart  
Into gold  
So what you wating for  
You got that touch  
You could start a fire  
In my soulSo tell me what you waiting for  
Waiting for  
Waiting for  
Waiting for  
Waiting for  
Waiting for  
Waiting for  
So tell me what you're waiting forI'll be your love  
Turn your broken heart

Into gold  
So what you waiting for  
You got that touch  
You could start a fire  
In my soul  
So tell me what you waiting for So tell me...  
So tell me...  
So tell me what you waiting for
