## **A Beautiful Mess**

## **Jason Mraz**

You've got the best of both worlds You're the kind of girl who can take down a man

And lift him back up again

You are strong but you're needy

Humble but you're greedy

Based on your body language

And shouted cursive I've been reading

Your style is quite selective

But your mind is rather reckless

Well I guess it just suggests

that this is just what happiness is

Hey what a beautiful mess this is

It's like picking up trash in dressesWell it kind of hurts when the kind of words you write

Kind of turn themselves into knives

And don't mind my nerve you can call it fiction 'But I like being submerged in your contradictions dear

'Cause here we are, here we are Although you are biased I love your advice

Your comebacks they're quick

And probably have to do with your insecurities

There's no shame in being crazy

Depending on how you take these

Words they're paraphrasing this relationship we're stagingAnd it's a beautiful mess yes it is

It's like, we're picking up trash in dresses

Well it kind of hurts when the kind of words you say

Kind of turn themselves into blades

And kind and courteous is a life I've heard

But it's nice to say that we played in the dirt, ohh dear

'Cause here we are, Here we are

Here we are, Here we are

Here we are, Here we are...

Here we are, We're still hereAnd what a beautiful mess this is

It's like taking a guess when the only answer is yes

And through timeless words

And priceless pictures

We'll fly like birds

Not of this earth

And tides they turn

and hearts disfigure

But that's no concern

When we're wounded together

And we've tore our dresses

And stained our shirts
