SOS (feat. Aloe Blacc)

Avicii

Can you hear me? S.O.S Help me put my mind to rest

Two times clear again I'm actin' lowA pound of weed and a bag of blowI can feel your love pullin' me up from the underground and

I don't need my drugs

We could be more than just part-time lovers

I can feel your touch pickin' me up from the underground and

I don't need my drugsWe could be more than just part-time lovers

We could be more than just part-time lovers

We could be more than just part-time lovers

I get robbed of all my sleep

As my thoughts begin to bleed

I'd let go but I don't know how

Yeah I don't know how but I need to nowI can feel your love pullin' me up from the underground and

I don't need my drugs

We could be more than just part-time lovers

I can feel your touch pickin' me up from the underground and

I don't need my drugs

We could be more than just part-time lovers

(Lovers ay)I can feel your touch pickin' me up from the underground and

(From the underground yeah)

I don't need my drugs

We could be more than just part-time lovers

We could be...

We could be more than just part-time lovers

(Part-time lovers)

Yeah! more than, more than lovers

We could be more than just part-time loversCan you hear me? S.O.S

Help me put my mind to rest
