

Daddy Issues

Demi Lovato

[Intro]

(Go)[Verse 1]

I call you too much

You never pick up

Except when you wanna fuck

And I can't get enough

You're the man of my dreams

'Cause you know how to leave

But I really believe that you'd change it for me[Pre-Chorus]

You're unavailable

(Unavailable)

I'm insatiable

[Chorus]

Lucky for you, I got all these daddy issues

What can I do?

I'm going crazy when I'm with you

Forget all the therapy that I've been through

Lucky for you

I got all these daddy issues

(All these daddy issues)

Daddy issues, uh

Daddy issues, uh[Verse 2]

Don't know how to commit

But I might want your kid

And after our first kiss

Got your name on my wrist

Yeah, I get a little obsessive

A little aggressive, a little bit too invested

And whatever you want, whenever you want

That's what you get 'cause

[Pre-Chorus]

You're unavailable

(You're unavailable)

I'm insatiable[Chorus]

Lucky for you

I got all these daddy issues

What can I do?

I'm going crazy when I'm with you

Forget all the therapy that I've been through

Lucky for you, I got all these daddy issues

(All these daddy issues)

Daddy issues, uh

Daddy issues, uh[Bridge]
Never enough
Addicted to love with the wrong one[Chorus]
Lucky for you, I got all these daddy issues
(All these daddy issues)
What can I do?
I'm going crazy when I'm with you (Crazy)
Forget all the therapy that I've been through
(That I've been through)
Lucky for you (Lucky for you)
I got all these daddy issues
(All these daddy issues)
Daddy issues, uh
(All these daddy issues)
Daddy issues, uh
(All these daddy issues)
Daddy issues, uh
Daddy issues, uh
