

Da Da Ding (feat. Gizzle)

GENER8ION

Da da ding da da ding da ding
Da da ding da da ding da ding
Da da ding da da ding da ding
Da da ding da da ding da ding Wake up in the morning
All systems on go
'Cause I got goals and
I won't take no
For an answer
Got the grace of a dancer
The heart of a panther
I don't understand ya
If quits in your vocab
I cannot quote that
I want this so bad
I cannot go back
I cannot back down
I will not give up
You versus me huh?
I say good luck
You don't want this problem
'Cause I don't do it unless I go full throttle
And I might throw it on the Instagram
Just to show you what the difference is
For instance, I'm up with the roosters
Out run the runners
Out shoot the shooters
Look in the mirror like
"Aye girl let's do this"
My only competition is myself
That's why I keep some trophies on my shelf
Never lazy 'cause it's bad for my health
Da da ding da da ding
Bada boom bada bing
Now let's go!
Da da ding da da ding da ding
Let's go!
Let's go!
Let's go!
Let's go!
Let's go!
Let's go!
Let's go!

Let's go
Da da ding da da ding da ding
Let's go
Da da ding da da ding da ding
Da da ding da da ding da ding
Let's go
Da da ding da da ding da ding
Let's go
Da da ding da da ding da ding
Let's go
Da da ding da da ding da ding
Let's go
Da da ding da da ding da ding
Let's go
Da da ding da da ding da ding
Let's go
Da da ding da da ding da ding
