

# Someday We'll All Be Free

[Donny Hathaway](#)

Hang onto the world as it spins around  
Just don't let the spin get you down  
Things are moving fast  
Hold on tight and you will last Keep your self-respect, you're man, the pride  
Get yourself in gear, keep your stride  
Never mind your fears  
Brighter days will soon be here Take it from me someday, we'll all be free, yeah Keep on  
walking tall, hold your head up high  
And lay your dreams right up to the sky  
Sing your greatest song  
And you'll keep, going, going on  
Take it from me someday, we'll all be free, yeah  
Hey, just wait and see someday we'll all be free, yeah  
Take it from me, someday we'll all be free  
It won't be long, take it from me someday we'll all be free  
Take it from me, take it from me, take it from me
