

# I Love London

## Crystal Fighters

Hola mi llamo Mimi I Love London!  
I wanna go to the friends party, the friends party  
In Willesden, Harlesden, Watford Junction, Junction,  
I Love London Mi gusto mimi  
Doblo I'm so high and it's the truth  
I'm so high and I can't see  
I wanna talk about it, tell my friends about it,  
Take me to a party in the city and I'll think about it.
