

I Love London

Crystal Fighters

Hola mi llamo Mimi I Love London!
I wanna go to the friends party, the friends party
In Willesden, Harlesden, Watford Junction, Junction,
I Love London Mi gusto mimi
Doblo I'm so high and it's the truth
I'm so high and I can't see
I wanna talk about it, tell my friends about it,
Take me to a party in the city and I'll think about it.
