Got too many bags of that rake

Show money like dope money Pulled up hunnid whips, and we mobbin'
Blew a hunnid stacks on the bomb
Tryna flip a whole thang for a quarter
Tryna have my boat plankin' on that water
Bust it open, go and do that dance
Fresh up out that border, flipped it from that corner
Young rich fly nigga, started from the corner
Go and bust it open, love when you do that dance
Fucked around, got mo' money
