

# Do They Know It's Christmas? (2014)

## Band Aid 30

It's Christmas time, there's no need to be afraid  
At Christmas time, we let in light and we banish  
shade  
And in our world of plenty we can spread a smile of joy  
Throw your arms around the  
world at Christmas time  
But say a prayer and pray for the other ones  
At Christmas time it's hard  
but while you're having fun  
There's a world outside your window and it's a world of dread and  
fear  
Where a kiss of love can kill you  
Where there's death in every tear  
And the Christmas bells  
that ring there are the clanging chimes of doom  
Well, tonight we're reaching out and touching  
you  
Bring peace and joy this Christmas to West Africa  
A song of hope where there's no hope  
tonight  
Why is comfort to be feared, why is to touch to be scared?  
How can they know it's  
Christmas time at all?

Here's to you  
Raise a glass to everyone  
Here's to them  
And all there is to come  
Can they know it's  
Christmas time at all?  
Heal the world

Let them know it's Christmas time again  
Heal the world  
Let them know it's Christmas time again  
Heal the world  
Let them know it's Christmas time again  
Heal the world  
Let them know it's Christmas time again  
Heal the world  
Let them know it's Christmas time again  
Heal the world  
Let them know it's Christmas time again  
Heal the world  
Let them know it's Christmas time again  
Heal the world  
Let them know it's Christmas time again  
Heal the world  
Let them know it's Christmas time again  
Heal the world
