

Look Through My Eyes

Phil Collins

There are things
In life you're learning
Only in time you'll see
It's out there somewhere
It's our way in if you keep believing
So don't run, don't hide
It will be all right, you'll see
Trust me, I'll be there Watching over you
Just take a look through my eyes (Look through my
eyes)
There's a better place somewhere out there
Oh, look, just take a look through my eyes (Look
through my eyes)
Everything changes, you'll be amazed what you'll find
(There's a better place)
If you look through my eyes
There will be times on this journey
When all you see is darkness
But out there somewhere
Daylight finds you if you keep believing
So don't run, don't hide It will be all right, you'll see
Trust me, I'll be there
Watching over you
Just take a look through my eyes (Take a look through
my eyes)
There's a better place somewhere out there Oh, just take a look through my eyes (Take a look
through my eyes)
Everything changes, you'll be amazed what you'll find
(There's a better place)
If you look through my eyes
All the things that you can change
There's a meaning in everything
And you will find all you'll need
There's so much to understand Take a look through my eyes (Take a look through my
eyes)
There's a better place somewhere out there
Oh, just take a look through my eyes (Just take a look
through my eyes)
Everything changes, you'll be amazed what you'll find (You'll be amazed what you'll find)
Oh, just take a good look through my eyes (Take a look
through my eyes)
There's a better place somewhere out there

Just take a look through my eyes (Take a look through
my eyes)
Everything changes, you'll be amazed what you'll find
(You'll find a better place)
Look through my eyes
You'll find a better place
Just take a look through my eyes
You'll find a better place
If you look through my eyes
Just take a look through my eyes...
