

Love Don't Care (Whose Heart It Breaks)

Earl Thomas Conley

I'm a lonely rider
She's the sole survivor of this love affair
But she don't care She's a real heart breaker
And I can't find a taker
No, that can compare
'Cause she's so rare She never let me hurt for love
She gave me all she had
But that was only long enough
To go from good to bad Oh, but love don't care whose heart it breaks
It don't care who gets blown away
If it all falls through as a bad mistake
Love don't care whose heart it breaks
I can still remember
Every time I see her, I go back in time
And lose my mind Yeah, I'm a good pretender
I just can't believe her heart's no longer mine
It's so unkind She never let me hurt for love
She gave me all she had
But that was only long enough
To go from good to bad Oh, but love don't care whose heart it breaks
It don't care who gets blown away
If it all falls through as a bad mistake
Love don't care whose heart it breaks
No, love don't care whose heart it breaks
Love don't care
No, love don't care
Love don't care
No, love don't care
