

# Lorelei

## Cocteau Twins

Get off the car  
Kick his chain  
Kick his pride  
Get him soaked hit runLift up your toes  
In my mouth  
And we can make love  
And we can go  
And we can go  
And we can goWe're covered by the sacred fire  
When you come to me  
You come to me broke  
Get off the car  
Kick his chain  
Kick his pride  
Get him soaked hit runLift up your toes  
In my mouth  
And we can make love  
And we can goAnd we can go  
And we can go  
And we can go  
And we can goWe're covered by the sacred fire  
When you come to me  
You come to me broke  
Without a doubt  
Without a doubt  
Without a doubt  
Without a doubt  
Without a doubtWithout a doubt  
Without a doubt  
Without a doubt  
Without a doubt  
Without a doubtWithout a doubt  
Without a doubt  
Without a doubt  
Without a doubt  
Without a doubtWe're covered by the sacred fire  
When you come to me  
You come to me brokeGuilty girl, guilty boy  
Get to make out  
Him chocked with mousseLift up your toes  
In my mouth  
And we can make love

And we can go Guilty girl, guilty boy  
Get to make out  
Him chocked with mousse Lift up your toes  
In my mouth  
And we can make love  
And we can go
