

All I Ever Really Wanted

Donnie McClurkin

All I Ever Really Wanted
By: Donnie McClurkin Searching for a lifetime
For something to satisfy
Paid a lot of prices and so many nights I cried
In my time of desperation
Came the simple revelation
That was All I Ever Really Wanted Was You Thought I wanted money and I thought I wanted
fame (Oh my)
Thought it would for fill me
That's until it finally came
Then I sweetly hear you begging me
And it only took one second
To see
All I Ever Really Wanted Was You (Yeah) There were times I didn't know what
(I was to do)
Said I didn't know what
(To think of you)
But when I turned around I turned and found
You were there all the time
I didn't know what
(Or where to go)
I didn't know what
(I was to know)
But you loved till you loved my to the truth yes
(You loved me like you)
If there were a moral to the things that I have learned yeah
It would be to follow love every move and every turn
In a time of second chances
What I found at second glance is
Is that
All I Ever Really Wanted Was You (Yeah) There were times I didn't know what
(I was to do)
I didn't know what
(To think of you)
But when I turned around I turned and found
You were there all the time
I didn't know what
(Or where to go)
Said I didn't know what
(I was to know)
But you loved till you loved my to the truth yes
You loved me like you, yeah

If there were a moral for the things that I have learned oh huh
It would be to follow love every move and every turn
For in a time of second chances
What I found at second glance is
Is that All I Ever Really Wanted You know I found in you

Oh oh

All I Ever Really Wanted

Somehow I now it's true

Oh huh my

All I Ever Really Wanted

You know I found in you

Yeah yeah yeah yeah

All I Ever Really Wanted

Somehow I now it's true yeah

Oh

All I Ever Really Wanted

Was you, oh Lord
