

One Thing

Finger Eleven

Restless tonight
'Cause I wasted the light
Between both these times
I drew a really thin line It's nothing I planned
And not that I can
But you should be mine
Across that line If I traded it all, if I gave it all away
For one thing, just for one thing
If I sorted it out, if I knew all about
This one thing wouldn't that be something I promise I might
Not walk on by
Maybe next time
But not this time
Even though I know
I don't want to know
Yeah, I guess I know
I just hate how it sounds If I traded it all, if I gave it all away
For one thing, just for one thing
If I sorted it out, if I knew all about
This one thing wouldn't that be something If I traded it all, if I gave it all away
For one thing, just for one thing
If I sorted it out, if I knew all about
This one thing wouldn't that be something Even though I know
I don't want to know
Yeah, I guess I know
I just hate how it sounds
Even though I know
I don't want to know
Yeah, I guess I know
I just hate how it sounds If I traded it all, if I gave it all away
For one thing, just for one thing
If I sorted it out, if I knew all about
This one thing wouldn't that be something If I traded it all, if I gave it all away
For one thing, just for one thing
If I sorted it out, if I knew all about
This one thing wouldn't that be something If I traded it all, if I gave it all away
For one thing, just for one thing
If I sorted it out, if I knew all about
This one thing wouldn't that be something If I traded it all, if I gave it all away
For one thing, just for one thing
If I sorted it out, if I knew all about

This one thing wouldn't that be something
