

# Alone

## Colours

I don't want to be,  
don't want to be alone  
don't want you to see,  
don't want you to see me old  
can we go back oh, can we go back before  
can we go back before you go  
I'm tired of saying  
tired of saying no  
I'm tired of feeling  
tired of feeling cold  
can we go back oh  
can we go back before  
can we go back before you go  
you go  
you go  
don't  
I don't want to be  
don't want to be alone  
don't want you to see me  
don't want you to see me old  
can we go back oh  
can we go back before you go
