

# Scuffle Town

## Avail

There's kepone in the river But the river's still Flowing east Ethyl doze the planet In an attempt  
to keep The downtown clean Still it's a beautiful day And the sun is still shining Over the James  
Oregon Hill is at end time VCU crept up and lit the torch West ave. honkeys don't' forget That  
trains still run north Third per-capita Next year number one  
Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
