

# Flex 4Eva (feat. Beat King & Boston George)

## Slim Thug

These niggas don't like us  
I don't like me walk in the club dog All these bitches on my dick  
I tell these hoes to keep calm  
Keep calm  
Tell these hoes to keep calm  
These niggas looking salty  
Cause they bitch up on my arm  
On my arm  
20 Benz up in my palm hold up  
We gonna flex 4eva, we gonna flex 4eva (hold up)  
We gonna flex 4eva, we gonna flex 4eva (hold up)  
We gonna flex 4eva, we gonna flex 4eva (hold up)  
We gonna flex 4eva, we gonna flex 4eva (hold up)  
We gonna flex 4eva  
Stack them chick forever  
It's level for this chick and I'm on another level  
My chains cost a lot higher  
My car's a lot more flier  
You in the ball and still paying notes

That's why them boys be hating but I'm a millionaire don't matter  
Yo bitch is my side bitch

Being J in my 'sace clothes  
Cracking ace and deuces

This bitch I live that boss life  
All these bitches on my dick  
I tell these hoes to keep calm

These niggas looking salty  
Cause they bitch up on my arm
