

The Right Time (feat. Al Jardine & David Marks)

Brian Wilson

This is the right time, once in a lifetime
So I find it hard to sleep, don't you know
The sun is shining in my window, life's in flow
Making music in the morning, laughter's light
Creativity touches in for flight
This is the right time
Once in a lifetime
Keep it going, let's not lose it, feel the flow
Oh, flying free in a fantasy, you I'll go
This is the right time
Once in a lifetime
Now something has entered my mind, shattering all of my thoughts
It's no good, it's just one big waste of my time
But what can I do to recall
This is the right time
Once in a lifetime
This is the right time
Once in a lifetime
This is the right time
Once in a lifetime
This is the right time
Once in a lifetime
