

Hard Times Are Over

Yoko Ono

It's been very hard
But it's getting easier now
Hard times are over, over for a while
The leaves are shining in the sun
And I'm smiling inside
You and I watching each other on a street corner
Cars and buses and planes and people go by
But we don't care, we wanna know
Wanna know in each other's eyes
That hard times are over, over for some time (yeah)
Hard times are over
Hard times are over
Hard times are over, over for awhile
It's been very rough
But it's getting easier now
Hard times are over, over for awhile
The streams are twinkling in the sun
And I'm smiling inside
You and I walking together 'round the street corner
Hard times are over
Hard times are over
Hard times are over, over for awhile
Hard times are over
Hard times are over
Hard times are over, over for awhile
Hard times are over
Hard times are over
Hard times are over, over for awhile
Hard times are over
Hard times are over
