

# Looking Too Closely

Fink

This is a song about somebody else  
So don't worry yourself, worry yourself  
The devil's right there right there in the details  
And you don't wanna hurt yourself, hurt yourself  
Looking too closely  
Looking too closely  
Oh, no, no, no! Put your arms around somebody else  
Don't punish yourself, punish yourself  
Truth is like blood underneath your fingernails  
And you don't wanna hurt yourself, hurt yourself  
Looking too closely  
Looking too closely  
Oh, no, no, no!  
Oh, no, no, no!  
You don't wanna hurt yourself, hurt yourself  
You don't wanna hurt yourself, hurt yourself  
Oh, no, no, no!  
And I could be wrong about anybody else So don't kid yourself, kid yourself  
It's you right there, right there in the mirror  
And you don't wanna hurt yourself, hurt yourself  
Looking too closely  
(Mmmm mmmm mmmm)  
Looking too closely  
(Mmmm mmmm mmmm)  
Yeaah  
Yeah, yeah, yeah, yeah!  
Looking too closely  
You don't wanna hurt yourself  
You don't wanna hurt yourself, hurt yourself  
Looking too closely
