

# Erase

MIKA

I shouldn't have called so late last night  
All insecure, out of my mind  
I shouldn't have left that message on your phone I shouldn't have said the things I said  
Lookin for love we, left for dead  
In a grave without a stone As soon as you hear my voice  
Don't hesitate, put your finger on the button Erase my love  
I bet you can't erase my touch  
You're tryin' to replace a feelin' without a name  
With somebody else's face in your head  
Everything's cool, your rent is paid  
The house is clean, your bed is made  
But it's a ghost town in your mind You never had time to go to sleep  
We'd wake up tangled in the sheets  
On a bed that we called home When the pain won't go away  
You might as well put your finger on the trigger Erase my love  
I bet you can't erase my touch  
You're tryin' to replace a feelin' without a name  
With somebody else's face in your head Erase, erase my love  
I bet you can't erase my touch  
You're tryin' to replace a feelin' without a name  
With somebody else's face in your head  
Erase, erase  
You're tryin' to replace a feelin' without a name  
With somebody else's face in your head  
Erase, oh
