

# Song of the Traveling Daughter

Abigail Washburn

World sits outside the door  
Men wai you ge shijie A voice in your heart is calling  
Xinzhong you ge shengyin The ends of the world await  
Sifang jiu deng ni lai Traveling daughter  
Younu Feel the sunshine on your face  
Lianshang gandao taiyang  
Starlight guides your feet  
Jiaobu suizhao xingguang Earth and Sky will carry you  
Tiandi zai ni zouyou Traveling daughter X2  
Younu Younu Journey after journey  
Zoule yi shan you yi shan One mountain to the next  
Zhe shan guole ne shan lai  
Voice in your heart is calling  
Xinzhong you ge shengyin Traveling daughter X2
