

Praying

Kesha

Well, you almost had me fooled
Told me that I was nothing without you
Oh, but after everything you've done
I can thank you for how strong I have become 'Cause you brought the flames and you put me
through hell
I had to learn how to fight for myself
And we both know all the truth I could tell
I'll just say this is I wish you farewell I hope you're somewhere praying, praying
I hope your soul is changing, changing
I hope you find your peace
Falling on your knees, praying
I'm proud of who I am
No more monsters, I can breathe again
And you said that I was done
Well, you were wrong and now the best is yet to come
'Cause I can make it on my own
And I don't need you, I found a strength I've never known
I've been thrown out, I've been burned
When I'm finished, they won't even know your name You brought the flames and you put me
through hell
I had to learn how to fight for myself
And we both know all the truth I could tell
I'll just say this is I wish you farewell I hope you're somewhere praying, praying
I hope your soul is changing, changing
I hope you find your peace
Falling on your knees, praying
Oh, sometimes, I pray for you at night
Someday, maybe you'll see the light
Oh, some say, in life, you're gonna get what you give
But some things, only God can forgive I hope you're somewhere praying, praying
I hope your soul is changing, changing
I hope you find your peace
Falling on your knees, praying
