

Dark Is the Night for All

A-Ha

It's time we said goodbye
time now to decide
o' don't you feel so small
dark is the night for all
It's time we moved out west
this time will be the best
and when the evenings fall
dark is the night for all
It's time... yeah, to break free
it's time to pull away
for you and for me
It's time... yeah, to break free
we need to celebrate the mystery
It's time we said goodbye
time for you and i
o' don't you feel so small
dark is the night for all
