## **Dancing in My Head (Tom Hangs Remix)**

## Eric Turner & Avicii

Sugar caught me by surprise Saying something in her eyes Feels like I just kissed the curse

Met a girl and there ain't no words for herDown the sunset, up the lights

Eh people! It ain't right!

I couldn't reach her anymore

Why people... Didn't I let her know? That girl, I shouldn't have let her go

She's still dancing in my head

That girl, I shouldn't have let her go

She's still dancing in my headOh yeah baby keep on dancing, keep on dancing

She's still dancing in my head

Oh yeah sugar keep dancing, keep dancing

She's still dancing in my head

Oh yeah baby keep on dancing, keep on dancing

She's still dancing in my head

Oh yeah sugar keep dancing, keep dancing

She's still dancing in my headOpen doors materialized

Disappear before my eyes

I felt like I been dealt the worst hand

I do believe I have been cursedDown the sunset, up the lights

Eh people! It ain't right!

I couldn't reach her anymore

Why people... Didn't I let her know? That girl, I shouldn't have let her go

She's still dancing in my head

That girl, I shouldn't have let her go

She's still dancing in my head

Oh yeah baby keep on dancing, keep on dancing

She's still dancing in my head

Oh yeah sugar keep dancing, keep dancing

She's still dancing in my headDon't stop dancing no

Don't stop, don't stop no

Don't stop dancing girl

Girl, don't stop dancing no
