

# Handlebars

## Flobots

I can ride my bike with no handlebars  
No handlebars  
No handlebars  
I can ride my bike with no handlebars  
No handlebars  
No handlebars Look at me, look at me  
Hands in the air like it's good to be alive, and I'm a famous rapper  
Even when the paths are all crooked I can show you how to do-si-do  
I can show you how to scratch a record  
I can take apart the remote control  
And I can almost put it back together  
I can tie a knot in a cherry stem  
I can tell you about Leif Ericson  
I know all the words to "De Colores"  
And I'm proud to be an American Me and my friend saw a platypus  
Me and my friend made a comic book  
And guess how long it took  
I can do anything that I want, 'cause, look I can keep rhythm with no metronome  
No metronome  
No metronome  
And I can see your face on the telephone  
On the telephone  
On the telephone Look at me, look at me  
Just called to say that it's good to be  
Alive in such a small world  
I'm all curled up with a book to read  
I can make money, open up a thrift store  
I can make a livin' off a magazine  
I can design an engine  
Sixty-four miles to a gallon of gasoline I can make new antibiotics  
I can make computers survive aquatic  
Conditions  
I know how to run the business  
And I can make you wanna buy a product Movers, shakers and producers  
Me and my friends understand the future  
I see the strings that control the system  
I can do anything with no resistance 'Cause I can lead a nation with a microphone  
With a microphone  
With a microphone  
And I can split the atom of a molecule  
Of a molecule  
Of a molecule Look at me, look at me

Drivin' and I won't stop  
And it feels so good to be alive and on top  
My reach, is global  
My tower, secure  
My cause, is noble  
My power, is pure I can hand out a million vaccinations  
Or let 'em all die of exasperation  
Have 'em all healed of their lacerations  
Have 'em all killed by assassination I can make anybody go to prison  
Just because I don't like 'em  
And I can do anything with no permission  
I have it all under my command because I can guide a missile by satellite  
By satellite  
By satellite  
And I can hit a target through a telescope  
Through a telescope  
Through a telescope  
And I can end the planet in a holocaust  
In a holocaust  
In a holocaust  
In a holocaust  
In a holocaust  
In a holocaust  
I can ride my bike with no handlebars  
No handlebars  
No handlebars  
I can ride my bike with no handlebars  
No handlebars  
No handlebars
