

# Song for My Father

Horace Silver

(First Chorus)

This little song for my father  
Does things that no other  
Can do

As I sing it to you It has a rhythm and rhyme  
That will fasten his memory  
In time

As his beauty shines through  
For through my mind and soul  
My heart will always hold  
A special place for him

It's true (Second Chorus) We bow our heads and we pray  
Every day's Father's Day  
Let's review

All that he means to you Our mother's love is real nice  
But old Dad sacrificed  
For us too

Let us give him his due  
We're very proud to be  
In his biography

We sing this song for him  
And you
