

Easy (feat. Natasha Bedingfield)

Rascal Flatts

We broke up
yeah, it's tough
most guys would've been crushed
Wastin' their time
Wonderin' where they went wrong
No way, not me
Hey, I'm doing just fine
I'm not afraid of movin' on
It's easy going out on a Friday night
Easy every time I see her out
I can smile, live it up
The way a single guy does
But what she, what she don't know
Is how hard it is to make it look so
Easy
The truth is
I miss lyin' in those arms of his
But I don't ever let it show
I laugh, and I act
Like I'm having the time of my life
as far as he knows
It's easy goin' out on a Friday night
Easy, everytime I see him out
I can smile, live it up
The way a single girl does
But, what he, what he don't know
is how hard it is to make it look so
Easy
Oh, it's easy
Oh, it's easy goin' out on a Friday night
Oh, it's easy every time I see him out
I can smile, live it up
Forget about the way it was
But what she
Oh, what he don't know
What she don't know
Is how hard it is to make it look so easy
(vocalizing)
Look so easy, so easy...
(vocalizing)
