

Om Shanti Om

Kishore Kumar

He

Tumne kabhi kisise pyaar kiya hai
Kabhi kisiko dil diya maine bhi diya

La la la la la la (4)

Meri oomar ke nau jawano la la
Dil na lagana o diwano la la (2)

Maine pyaaar karke chain khoya, nind khoye
Are jhooth to kehte nahi hai kehte nahi hai log koi
Pyar se badhkar nahi hai badhkar nahi badhkar nahi hai rog koi
Chalta nahi hai dil de ke yaro is dil pe zor koi (2)

// is rog ka nahi hai ilaj duniya mein aur koi. to gaoo om shanti om shanti shanti om ...

Maine kisiko dil de ke kar le raate kharab dekho
Aaya nahi abhi tak udhar se koi jawaab dekho
Woh na kahenge to khud khushi bhi kar jaaunga mein yaro
// woh ha kahenge to bhi khushi se mar jaaunga mein yaro
Jo chhup gaya hai pehli nazar ka pehla salam le kar
Har ek saas leta hoon ab main uska hi naam le kar
Mere hazzaro deewane ab main khood ban gaya deewana
//yeh waqt unpe aa jaye pyar mein to yeh geet gana
Sing

Om shanti om shanti shanti om om shanti om shanti shanti om
