

# Who I Am

## Lena Katina

I can be your weak, I can be your powerful  
My emotions' taking a hold of me  
Put myself in get sentimental  
Call it what you want, this is what you get  
Leave this moment, breathe the future This is who I am, am am, who I am  
(This is who) This is who I am, am am, who I am  
No more games, or dis-believing  
This is who I am, am am, who I am  
(This is who) This is who I am, am am, who I am  
Stop there, analyze your feelings You can be sure, you should believe me  
I have nothing to hide from you  
I would never deceive you, if I were a mask  
You still can see me through  
I will never turn into something I'm not!  
This is who I am, am am, who I am  
(This is who) This is who I am, am am, who I am  
No more games, or dis-believing  
This is who I am, am am, who I am  
(This is who) This is who I am, am am, who I am  
Stop there, analyze your feelings And now we need to compromise,  
We both need to sacrifice  
Lower the guard, remove our defenses There's nothing we can over done  
Now that all the doubts are gone  
Love sets us free!  
This is who I am, am am, who I am!  
This is who I am, am am, who I am!  
This is who I am, am am, who I am  
(This is who) This is who I am, am am, who I am  
No more games, or dis-believing  
This is who I am, am am, who I am  
(This is who) This is who I am, am am, who I am  
Stop there, analyze your feelings This is who I am, am am, who I am  
(This is who) This is who I am, am am, who I am  
No more games, or dis-believing  
This is who I am, am am, who I am  
(This is who) This is who I am, am am, who I am  
Stop there, analyze your feelings
