

I Asked (feat. Becca Stevens & Väsen)

Snarky Puppy

I asked my love
"What do you need
To make your wild heart beat?"
"And this, my love,"
He said to me wholeheartedly
"Whatever makes you happy, darling.
Whatever makes you smile for me.
Whatever makes you happy.
That's all I need."
In sober times
When troubles find
A taste for brevity
I asked myself
"What do you need
To let the weight release?
Whatever makes you happy, darling.
Whatever makes you smile for me.
Whatever makes you happy."
That's all I need
That's all I need
That's all I need
That's all I need
I asked my love
What do you need
To make your wild heart beat?
