

# Consequence

## Incubus

Blink and you miss a beat  
Keep one of your eyes open at all times.  
Think that you're on the brink?  
The shit hasn't even begun to hit the fan. Consequence you'll see will be  
Stranger than a gang of drunken mimes.  
Situation has a stink,  
Better clear the air before your son becomes a man.  
Before your son becomes a man.  
Blink, everything's been augmented,  
You've been left so far behind.  
I think, for sure, next time you should  
Wear a pair of eyes in the back of your head. Consequence you've seen has been  
Stranger than sci-fi of any kind.  
Situation baffles me.  
I guess it's true you too are one of the walking dead. You better think fast, think fast  
'Cause you never know what's coming round the bend.  
You better not blink, or breathe.  
For consequence is a bigger word than you think. Its bigger than you or me.  
You or me.  
You or me.  
You better think fast, think fast  
'Cause you never know what's coming round the bend.  
You better not blink, or breathe  
For consequence is a bigger word than you think. Its bigger than you or me.  
You or me  
You or me
