

Free

Guvna B

You're free
To do what you want to do
You've got to live your life
And do what you want to do
You're Free
You're FreeWhat's good?
Allo Mate! I'm like look
London that my city
Eastside my hood
Yes! I'm living it up, not giving it up
The most high I be I'm bigging him up. Standard!
Not chilling but I'm willing to run
In it to win it I'm itching got a vision for some
I won't sugarcoat it
Us man we roll deep
Shout out my cod
Straight one n only
I was fed up
Then had to get up
Prayed now I'm better
Then man I sped up
Any bredda wanna get the programme?
Get ready fam it's gonna go down!
Can't put no chains on me!
I tell a man: na cuz, I'm free!
You're free
To do what you want to do
You've got to live your life
And do what you want to do
You're FreeYou're free
To do what you want to do
You've got to live your life
And do what you want to doBack at it again
Like an addict again
I'm clean don't panic again
I'm straight
It was looking quite bleak for us
But then he died he rose again
That's great!
I'm free like after two
In the morning and afternoon
And the evening

I don't speak like half the truth
I got a feeling he's passing through
So I'm speeding
Yes! It's a celebration!
I'm cool with the gang
My brudda we're Free!
But we ain't chilling with the masons
Never getting busy with Satan
And we tell 'em any bredda: wanna get the programme?
Get ready fam it's about To go down!
Can't put no chains on me
Tell a friend: na cuz, I'm free!
One life so live it well
In this world we got free will
To live as well
We can do what we want with it
But I know who sponsors it
So I choose:
To do Good not evil
And Love God, Love people
That's right I see yoYou're free
To do what you want to do
You've got to live your life
And do what you want to doYou're free
To do what you want to do
You've got to live your life
And do what you want to do
